# Mission Statement

To provide an entity that promotes the goals of the College, the Council and the Profession of Pharmacy.

These goals include, but are not limited to:

- Providing financial support for the college and its' students.
- Providing community health education.
- Identifying and recruiting qualified students and/or staff for the University in general and the College specifically.
- Improving interactions among the members of the profession and its friends.
- Increasing membership in our council and in other national, state and local health associations (ASHP, APHA, FSHP, FPA, etc.)

This mission can only be accomplished by striving for 100% support from our graduates.

# GOALS 2020 - 2022

1. Establish a strong foundation for Business Operations.
  - Amending By Laws
  - Establishing table of responsibilities with due dates and responsible members to serve as a guide for future years.
  - Update and maintain Website
  - Constant communication with alumni
  - Assuring accurate and timely financial reporting.
2. Increase Membership
  - Reestablishing Inactive Chapters
  - Membership drive
  - Addressed Alumni at ASHP CoPPS, IPH Alumni and Learner Virtual Meeting
  - Addressed New Graduates at CoPPS, IPH Oath and Awards program

# State of the Council

- Currently, we are financially sound.
- Our By Laws , Articles of Inc. and record keeping are being updated.
- 4 inactive Chapters – 1 (Tampa) with a resurgence effort in place.
- Still strong in our commitment to support the college and its students.
- Membership is below our goal. Need Strong Membership drive.
- Need to increase recent graduate membership.
- Working to return to in person convention for 2022.
