The Program Committee met to discuss the 2022 Annual Convention. To avoid meeting on Father's Day, the committee selected the fourth weekend in June, 2022 for the Annual Meeting. This date will also avoid meeting the same time as the Florida Pharmacy Association. The committee discussed concerns about traveling long distance due to COVID and not knowing what the 2022 year will look like.

We decided to do a survey of the membership to find out how they feel about traveling and solicit destination recommendations. The survey deadline will be June 25, 2021. Based on the results, we will make recommendations to the executive body to make the final decision.
