Drug Name	Dose	Take for...	When do I take?				Start Date	Stop Date	Doctor	Special Instructions
			Morning	Noon	Evening	Bedtime				

This sample Personal Medical Record (PMR) is provided only for general informational purposes and does not constitute professional health care advice or treatment. The patient (or other user) not, under any circumstances, solely rely on, or act on the basis of, the PMR or the information therein. If he or she does so, then he or she does so at his or her own risk. While intended to ser communication aid between patient (or other user) and health care provider, the PMR is not a substitute for obtaining professional healthcare advice or treatment. This PMR may not be approp patients (or other users). The National Diamondback Pharmacy Alumni Council assumes no responsibility for the accuracy, currentness, or completeness of any information provided or recor

The My Medication Record and Prescription Assistance Programs list as part of NDPAC's Service theme provides an **easy-to-use tool** to organize your medication and research prescription assistance information.

Prescription Assistance Programs

Prescription Assistance Programs (PAPs) provide assistance to people who cannot afford or need help with paying for their prescription medications. The person must be eligible for patient assistance programs. Some programs include:

- Rx Assist www.rxassist.org
- Needy Meds www.needymeds.org
- Rx Hope www.rxhope.com 1-877-267-0517
- Partnership for Prescription Assistance www.pparx.org 1-888-477-2669
- Together Rx Access www.togetherrxaccess.com 1-800-444-4106
- Florida Discount Drug Card www.floridadiscountdrugcard.com 1-866-341-8894

Many pharmaceutical companies offer financial assistance programs to people who have trouble affording their medications and supplies. Each program has specific criteria that must be met in order for a person to be considered eligible for a financial assistance program. Listed below are pharmaceutical companies that offer financial assistance.
