

Dear Alumni,

The NDPAC more affectionately known as Diamondback invite you to consider becoming a financial member of this organization and its rich heritage of support to FAMU CoPPS, IPH. By doing so you will help in keeping our council as the best HBCU Alumni Organization.

As the newly elected President of NDPAC, it is my hope that each of you will work with our officers to assure a bright and successful year.

The focus areas for 2020 – 2021 that help support the mission of NDPAC will be: *Fostering Relationships with Pharmacy Students, creating a Culture of Giving and Community Health Education.*

**Fostering relationships with FAMU CoPPS, IPH pharmacy students** – Through outreach, NDPAC is working to show the value of NDPAC to students, encourage participation upon graduation, and foster a “connection”, as Pharmacy students matriculate through the Pharmacy program.

**Creating A Culture of Giving** – A benefit of being a member is giving back to our beloved Alma mater and investing in the future of pharmacy: This can be accomplished by:

1. Serving as a Career Coach (mentor) for the COPPS students
2. Serving as a Preceptor for the COPPS students
3. Joining the list of structured giving participants, to provide financial support to the college and students.

**Community Health and Education** – Diamondback pharmacists have a rich history of organizing community health education and screening programs, alone and in partnership with other health professional organizations. The focus has been primarily on under-served communities, and alumni and student expertise has been crucial in increasing health awareness and improving behavior in our efforts to improve health outcomes of community participants. This year the COVID-19 pandemic has brought about changes in how we can serve our community in this area, however it is still important to find new ways to help close the gap in healthcare disparities.

Lastly, please stay connected with us. Diamondback is on *Facebook* and our website is [www.NationalDPAC.com](http://www.NationalDPAC.com). To help us keep in touch with you, please update your contact information (annually) in the Update My Profile section on the NDPAC website ([www.NationalDPAC.com](http://www.NationalDPAC.com)), so we will have your accurate information in our alumni database. Your membership fee received will keep you financial until 6/30/2021. We look forward to interacting with you this year.

I look forward to working with you this year.

Respectfully yours,  
Sharon M. White,  
NDPAC President
