

Dear Alumni,

Thank you for a successful year in 2020 – 2021! We hosted a very productive virtual convention this year and we are looking forward to resuming our in-person convention in 2022, so please plan to participate if you can.

As of 2020 our officers' term of office is now 2 years and as such this will serve as my 2nd year as President. It is my hope that each of you will work with us to continue a legacy of giving and supporting the Florida A & M University College of Pharmacy and Pharmaceutical Sciences, Institute of Public Health by first becoming a financially active member of NDPAC.

In addition to our focus areas for 2020 – 2021: *Fostering Relationships with Pharmacy Students, Creating a Culture of Giving and Community Health Education*, our main focus area for 2021 – 2022 will be: *Increased Membership*.

- It is through a strong membership that we can work to foster a support effort for the college and its students. Please consider joining and help make this goal a success. Our membership efforts will be both in Individual membership and Chapter membership.
- We will work to restore our inactive chapters and begin working to resume all activities we were known for prior to the pandemic. Please look for notices of activities in each of the chapters and plan to try and participate in as many as you can.

We are an organization rich in heritage, strong in support and loyal to Florida A & M University College of Pharmacy and Pharmaceutical Sciences, Institute of Public Health. Let's all work to give back to the future generations.

Lastly, please stay connected with us. Diamondback is on Facebook and our website is www.Nationaldpac.com. To help us keep in touch with you, please update your contact information (annually) in the Update My Profile section on the NDPAC website so that we will have accurate information in our alumni database.

Your membership fee received will keep you financial until 6/30/2022. We look forward to hearing from you and interacting with you this year.

Respectfully Yours,
Sharon M. White
NDPAC President
